

**Business room at UIC HIGH SPEED 2008**

6th World Congress and Trade Exhibition on High Speed Rail  
 17 – 19 March 2008, Amsterdam RAI, the Netherlands

The 6<sup>th</sup> World Congress & Trade Exhibition on High Speed Rail in Amsterdam will be the most important event in the long distance passenger rail transportation and infrastructure business. UIC HIGH SPEED 2008 follows five successful editions of this congress under the Eurailspeed brandname.

From 17 – 19 March 2008, decision makers and professionals from all over the world will visit this event to network, update their knowledge of the technology and enjoy a stimulating professional visit.

The 6<sup>th</sup> edition of UIC HIGH SPEED 2008 offers you a unique platform for networking with industry colleagues and meeting new prospects while enhancing corporate identification and goodwill to a highly targeted, decision-making audience.

The venue Amsterdam RAI offers splendid possibilities for companies to have an own business room. Do you need a room for meeting your top-clients, having a get-together with you employees, offering a cocktail reception or arranging a luxury lunch for the management during UIC HIGH SPEED 2008? Please inform us about your specific requirements.
